STATINTL

MEMORANDUM FOR: Chief, C&L Division, Office of Finance

SUBJECT: Automobile Accident-

1. The facts of the accident of 19 April 1973 which occurred at Westgate Research Center, McLean, Virginia, as described in the attached file, are such as to make the Government liable under the Federal Tort Claims Act. A claim in the amount of \$206.50 from Mr. Allan L. Roth, 10204 Maycheck Lane, Bowie, Maryland 20715, is forwarded for your action.

2. Mr. Roth's claim was originally in the amount of \$261.29. The undersigned told Roth that his claim for five days car rental was excessive and, in addition, the dealer where he intends to have the car repaired believes that only two or three days will be required. Accordingly, Roth agreed that three days was acceptable.

3. The claim is therefore reduced to \$206.50--\$141.50 for the car repair, \$45 for three days car rental at \$15 a day, and \$20 for two days mileage.
